Toronto Foundation for Student Success

The best teacher in the finest school cannot teach a distracted child.

A hungry child, a child who cannot see or hear clearly, or a child who does not feel safe, cannot reach their full potential in the classroom.

Your donation will support:

- over 212,500 meals at 810 student nutrition programs;
- Free vision and hearing checks, as well as free glasses and hearing devices for children in need;
- after school supervised activities;
- health care for local schools and TDSB children;
- emergency funds for urgent needs of students

It is easy to make a huge difference in the lives of many children!

The TFSS is Your Foundation.

The Toronto Foundation for Student Success (TFSS) is an independent registered charitable organization dedicated to nourishing Toronto District School Board's children and helping remove barriers to their education.

The Need

- One in every four children lives in poverty
- 40% of children start the school day without breakfast

Hunger remains the number one barrier to student success. While hunger is not the only concern of the TFSS, it remains the primary focus.
