TORONTO FOUNDATION FOR STUDENT SUCCESS

WHO WE ARE

The Toronto Foundation for Student Success (TFSS) helps students in need. We address issues of poverty, hunger and poor nutrition, and their effects on education. We are an independent, registered charitable organization dedicated to supporting children across Toronto, and helping remove barriers to their education.

WHAT WE DO

- The TFSS and its partners support over 1,000 breakfast, lunch and snack programs, providing over 284,000 meals per day during the school year. As well, to help make sure more children have access to the nourishment they need, our Bridging the Nutrition Gap program delivers supplemental food directly to schools.
- We provide vision and hearing checks and optometry clinics for over 14,000 students in over 100 schools. Those who need glasses receive them free-of-charge.
- Our after-school program, *beyond 3:30*, keeps over 1,700 children and youth in underserved areas safe and engaged from 3:30 p.m. to 6:00 p.m each school day.
- Through our Emergency Fund and Emergency Food Fund, we provide support to students with urgent needs.

HOW YOU CAN HELP

Toronto Foundation for Student Success helps thousands of children in need, but we can‘t do it alone. Financial support from community partners in the public and private sectors is what keeps Toronto’s most vulnerable children on track for a brighter future. Your donation will help put a meal on a hungry child’s plate or give a teenager a winter coat. It will also help open a spot for a student in an after-school program or put glasses on a child who can’t see the chalkboard.

At our school, students start their day off with a healthy meal, and end their day at the after-school program, which they love. We’re grateful for TFSS’ programs, they have such a great impact on our students.
- Principal
